CONTEXT OF THE TRANSMISSION

The Instrument of Divine Will: Chris Comish (the Scribe)

Mission Cycle: 2006–2026

Source: Divine Will / The Ageless Wisdom

ABOUT THE INSTRUMENT

Chris Comish (born 1978) is a Reiki Master devoted to lifting others up in Love and Light. Following a spiritual awakening in 2006, his life's work has been the sharing of teachings and spiritual energies to assist with humanity's spiritual awakening.

He is the founder of the City of Shamballa Social Network and the author of:

28 Powerful Reiki Attunements

Book of Healing

Book of Wisdom

Eternal Spirit

The Path of Oneness

Earth Gate

as well as multiple energetic attunements and healing works. His teachings and spiritual transmissions were also shared through his YouTube channel Onenessandlove.

STATEMENT OF STEWARDSHIP

This body of work is recognized as God's Work. The author has served solely as a conscious instrument — a scribe for the Externalization of the Spiritual Hierarchy during a defined twenty-year window of planetary transition.

THE 20-YEAR TIME CAPSULE

From 2006 to 2026, this record was meticulously compiled and anchored as a Seed Bank for the present and future service of the New Group of World Servers. This archive represents a completed cycle of delivery.

FINALITY AND SUCCESSION

With the close of this cycle in 2026, the active "doing" phase of the mission has reached fulfillment.

THE PERMANENT RECORD

All works are preserved in:

Immutable digital repositories (ArDrive / Arweave Permaweb)

Physical archival institutions (Library of Congress / Internet Archive)

This ensures availability beyond the shifting structures of third-density civilization.

ADMINISTRATIVE STEWARDSHIP

Stewardship of the City of Shamballa Social Network (https://www.cityofshamballa.net) was formally transferred to Steven Hutchinson in 2025 for continued service.

WITHDRAWAL

The Instrument has withdrawn from active public administration to abide in the Stillness that sustains the Work from the inner planes.
